## Watch 150 And Clock 200 Winter 2022 Or/And Spring Quarter 2023

**Watch 150 and Clock 200** Registration is for each quarter, Fall, Winter and Spring. These classes are not structured and you may enter at any time throughout the year. The clock instructors will be available to get you started on your project clock. Watch 150 is designed for you to work independently on the project of your choice. The instructor is available to help you solve problems if necessary.

### Winter Quarter

Note winter quarter will start the 5th of December, run for two weeks then there is a holiday break over Christmas and New years. We chose to start Winter qtr on the 9th of January as the 2nd might find people still traveling home over the holidays.
