

2026 Horological Social Gathering – Puget Sound Chapter 50 Sponsoring

“Hey folks, it's Go Time!”

There will be a social gathering of members from Mt. Rainier Chapter #135, Puget Sound Chapter #50 and the Washington Watchmakers and Clockmakers Association.

When: Sunday, July 26th 9am - 2pm

Where: Lynwood Cedar Valley Grange #306

***Free admission** – At the door, check off your name on the appropriate member list for badge and door prize ticket. Dues can be paid on-site for anyone that owes for 2026. Guests can sign in for a guest badge.

*guests are not eligible for door prizes, mart certificate contest, 50/50 or any silent auctions.

Mart: There will be a mart for members to sell items. We'll have 10-12 tables @\$5 a table. Tables must be reserved. Contact Gary Myers nawcc50@time-hill.org for reservations.

Contest: We will have a game setup for members to take the best guess for a chance to win a \$100 money mart certificate. The winner can use the certificate at the current mart or any meeting mart event during the 2026 calendar year.

50/50: There will be a 50/50 raffle. \$5 for three tickets. Half of the proceeds goes to the winner and the other half goes to the sponsor to help with the cost of this gathering.

Door Prizes: There will be drawings for a watch, clock and other horological items during the meeting.

Silent Auction: We will try and hold a silent auction if we get enough items to run one. \$2 entry fee for items being auctioned.

Program: Gary Myers will take you on a horological journey on Patina. *Patina in Horology, People, Clocks & Watches*

Help: We need help to bring food. Morning pastries and noon lunch snacks. Soda and other drinks are welcome. Coffee will be made at the kitchen. We will need help for setup/tear down and cleaning.

Door Prizes

A “Bill Gates” Casio Duro MDV106-1A, driven with the iconic Citizen/Miyota 2115 Quartz movement. Casio is also phasing out the iconic Marlin (sailfish) logo on the dial and case back. These will be highly collectible timepieces as Europe has already phased them out. Yahya Abdul-Mateen II wore this timepiece in the 2022 movie *Ambulance*.

A 1930 New Haven (True) “Drop Octagon”. A time-only movement driven by their iconic 328 movement. The movement is in its original running state and unmolested. The only “True Octagon Clock (octagon cut glass)” Nice patina dial!
